PROFESSIONAL SUMMARY

Marketing professional with **2+ years** managing **social, email, content, paid, and SEO campaigns** across **healthcare, B2B software, and consumer brands**. Skilled in campaign coordination, content calendars, creative development, audience research, and performance reporting. M.S. in Marketing Analysis with client research experience for **Walmart, Constellation Brands, and Google**.

PROFESSIONAL EXPERIENCE

Keva Health | *Digital Marketing Intern*

Apr 2026 - Jul 2026

- Reached an **18.9% open rate** across **8,175 sends** to **400+ healthcare providers** by A/B testing subject lines across three email campaigns in **Zoho CRM** and tracking campaign performance in **Workfront**.
- Grew organic traffic **30%** by writing **SEO-optimized** blog content on asthma care and remote patient monitoring for a clinical audience, then sharpened positioning with an **eight-competitor landscape analysis** of messaging, channels, and category gaps.
- Ran a **three-post-per-week LinkedIn, Instagram, and Facebook** content calendar in **Sprout Social**, creating copy, graphics, and schedules; supported **Meta paid social** with ad creative, performance reporting, and budget-saving optimization.

Wipra Worldwide | *Marketing Associate*

Jan 2023 - Jan 2024

- Produced a **12% lift in targeting accuracy** by building **Qualtrics** and **HubSpot** dashboards that turned email KPI patterns into actionable audience insights for campaign planning.
- Lifted local customer engagement **15%** by coordinating **SEO** and **Google Ads** campaigns, seasonal promotions, and related implementation timelines for a Hero automotive dealership.
- Cut design revision cycles by producing collateral, sales decks, and campaign assets across **five or more formats** in **Adobe Creative Suite** while collaborating with stakeholders to meet project deadlines.

ColorTints | *Content Strategist*

Jan 2022 - Dec 2022

- Grew audience engagement **20%** by running organic social campaigns across **Instagram, Facebook, and LinkedIn** and building the branded graphics.
- Shifted the content mix toward top-performing formats by reporting monthly social performance in **Hootsuite** and **Python** for the studio owner.
- Held a consistent brand identity across print and digital by designing in-store collateral, packaging inserts, and social assets in **Canva Pro**.

CLIENT PROJECTS

Shopper Marketing and Category Strategy | *InContext Solutions and Walmart*

Nov 2025

- Segmented two household audiences with **84.3% accuracy** by applying **Ward's cluster and discriminant analysis** to **900 consumer responses** in **SPSS**.
- Increased category dollars from **\$4,459 to \$4,551** and units from **608 to 614** by testing a **planogram** in **ShopperMX**, with **3 of 10 SKUs** moving.

Consumer Insights and Brand Health | *Constellation Brands (Corona)*

Nov 2025

- Diagnosed a positioning problem, not a product one: Corona's non-alcoholic line read as a failed beer while Sunbrew read as refreshing, per **2,000+ open-ended responses** analyzed in **Python** and **MAXQDA**.
- Presented positioning and segmentation recommendations directly to Constellation Brands stakeholders for the Corona portfolio.

Integrated Campaign and Go-to-Market Strategy | *Google Pixel*

May 2025

- Fielded a **7-attribute conjoint survey** in **Qualtrics** and found price the single largest driver of purchase decisions at **20%** of decision importance.
- Built a competitive perceptual map against Apple and Samsung and repositioned Pixel around camera and ecosystem strengths instead of specs, recommending a **\$799 price point**.
