PROFESSIONAL SUMMARY

Digital marketing professional with 2+ years building social, content, SEO, and email programs for B2B healthcare and consumer brands. Grew organic traffic 30% and connected with 400+ healthcare providers through targeted campaigns. I turn audience insight into content that builds visibility and moves leads through the funnel.

PROFESSIONAL EXPERIENCE

Keva Health, Inc. **Apr 2026 - Present**

Digital Marketing Intern

- Built a **3-post/week content calendar** across **LinkedIn, Instagram, and Facebook**, driving brand storytelling that grew follower engagement across all 3 platforms.
- Launched **3 email marketing campaigns** via **Zoho CRM** reaching **400+ healthcare providers**, supporting lead nurturing and pipeline engagement.
- Authored **SEO-optimized blogs** on asthma care and RPM, driving a **30% increase in organic traffic**; conducted an **8-competitor landscape analysis** to sharpen content positioning.

Wipro Worldwide **Jan 2023 - Jan 2024**

Marketing Associate

- Coordinated **SEO-driven digital campaigns** for a Hero automotive dealership, increasing local customer engagement by **15%**.
- Designed marketing collateral across 5+ formats using Canva Pro and Adobe Creative Suite, maintaining visual brand consistency and reducing design revision cycles
- Built **Qualtrics performance dashboards** tracking email marketing KPIs, delivering insights that achieved a **12% lift** in targeting accuracy.

ColorTints **Jan 2022 - Aug 2022**

Digital Marketing intern

- Managed **organic social media campaigns** across **Instagram, Facebook, and LinkedIn**, growing audience engagement by **20%** through branded visual content.
- Produced branded graphics and visual assets using **Canva Pro** and **Adobe Creative Suite**, reinforcing brand identity across all channels.
- Tracked social media analytics with Hootsuite and Python, built monthly performance reports, and applied insights to refine content strategy, improving click-through rates.

EDUCATION

M.S., Marketing Analysis **Jun 2026**

DePaul University, Kellstadt Graduate School of Business

- **GPA:** 3.8
- **Achievements:** Dean's Scholar

B.B.A., Business Administration **May 2023**

GLS University

ACADEMIC PROJECTS

Advanced Market Research

InContext Solutions

- **Segmented 900+ consumer responses** using **ANOVA, factor, cluster, and regression** analysis to identify **3 high-value buyer segments** for a dishwasher additives brand.
- Designed a data-driven retail planogram via **ShopperMX**, projecting a **10% increase in category sales** through optimized shelf placement.
- Presented strategic recommendations to **InContext Solutions** stakeholders, connecting consumer behavior findings to brand positioning and merchandising decisions.

Consumer Sentiment and Text Analysis

Constellation Brands / Corona

- Analyzed **2,000+ open-ended consumer responses** using **Python** and **MAXQDA**, applying **sentiment analysis** and thematic coding to surface purchase drivers and brand perception gaps.
- Built custom **AI-assisted text preprocessing protocols** to extract structured insights from **3,900+ response tokens**.
- Delivered a **brand strategy presentation** to **Constellation Brands** with positioning recommendations and audience segmentation strategy for the Corona portfolio.

Conjoint Analysis and Pricing Strategy

Google Pixel

- Ran a conjoint analysis survey across **4 product attributes**, finding **price** was the highest-weighted purchase driver among target consumers.
- Modeled **consumer willingness-to-pay** across **3 segments**, recommending an optimal price point of **\$799** to maximize revenue while staying competitive.
- Translated findings into a **go-to-market positioning brief** with target segment, messaging pillars, and product marketing strategy for the Pixel launch.
